KIDS/FAMILY: General Children's Music, KIDS/FAMILY: Lullabies Details: Brian grew up in Fredericktown, Missouri where as a kid he sang in churches, school programs and other social settings. During his teen years he was the drummer of a hometown rock and roll band. After graduating high school Brian spent several years in the Air Force where he took up playing the guitar and writing songs. He moved to central Arkansas in 1981 and toured for several years performing at churches and youth camps throughout the region. Brian attended the University of Arkansas at Little Rock and graduated in 1986 with a degree in Music Education. He has taught music and visual arts in the Little Rock public school district for the last 16 years, first at Booker Arts Magnet elementary, and his current assignment at Washington Magnet elementary school. For many years Brian wrote children's songs for school performances, festivals, and play. At the encouragement of a fellow teacher, he auditioned and was accepted into the Arkansas Arts Council's roster of touring artists, and has been performing children's concerts for the past 3 years. Brian is quickly gaining notoriety as an original and unique artist of children's music. His concerts are lively and interactive, as he combines his guitar playing talent and his whimsical song writing skills to amuse and entertain children of all ages. He weaves together stories and music to stir the imagination with tales drawn from his own life as well as from the lives of his family and friends. He has the ability through his songs to bring both young and old together as they laugh and sing, dance and clap along with the music. Treat your children as well as yourself to a wonderful CD of original music written, performed and produced by Brian Kinder.
