[DOWNLOAD HERE](#)

This music is designed for meditation, creating a variety of musical environments to support transformational energy, contemplative thinking, calming and ecstatic dance of the spirit. Listen and let your mind, body, heart and soul move and expand. 11 MP3 Songs in this album (71:26) ! Related styles: ELECTRONIC: Ambient, SPIRITUAL: Inspirational People who are interested in George Winston Hans Zimmer Peter Gabriel should consider this download. Details: This album reflects many different aspects of meditation including opening of the chakras, deep prayer, calming, contemplative thinking and deep states of conscious awareness. Deb has been practicing meditation with spiritual masters for over 15 years and has been writing meditation music for over 20 years. With her passion for increasing global consciousness along with her passion for music and meditation, Deb brings a unique combination of spiritual depth, inspiration and a variety of genres to her music composition. Buddy brings over 40 years of musical experience as well as 16 years of intense meditation practice to the table in helping create Time to Move. An award winning composer, Buddy has composed and produced music for over 430 TV shows, films, commercials, and interactive releases with partner John Lawrence as Power of 2 Music, and as a session musician, contributed to over 100 singles and albums. I hope that this music can help you access a deeper connection to your true essence, and to the Supreme Almighty.
