An eclectic style which merges folk, rock, blues, and jazz into a powerful and soulful sound. 9 MP3 Songs
FOLK: Folk Pop, ROCK: Acoustic Show all album songs: Stories From the Abyss Songs Details: It all changed for Chris the moment he heard The Beatles Sergeant Pepper's Lonely Hearts Club Band in his parents living room. From that moment on as a child he knew he wanted to create songs that could stretch people's imaginations in the same way the Beatles were able to with their intricate melodies and mind altering lyrics. In much the same way Chris makes it his mission to share his most personal thoughts, feelings, and experiences in his music. To not risk and share what lies underneath would be a dumbing down of his work to himself and his audience. Chris has been touring aggressively around the Bay Area at coffeehouses, bars, and even private parties. His stage presence is like having a conversation with a good friend. Chris shares his inspirations for his songs with his audience cracking jokes along the way but ultimately leaves it up to the listener to take away from his music what they need.
