

Mp3 John Virag - Dream Reality

[DOWNLOAD HERE](#)

Do you miss hearing real instruments when you listen to today's music? Not getting your fill of keys, horns, strings? Tired of music that doesn't touch the soul? Well, now there's a cure to your pain. 10 MP3 Songs POP: with Live-band Production, ROCK: 80's Rock Details: Do you miss real instruments when you listen to today's music? Not getting your fill of keys, horns, strings? Tired of music that doesn't touch the soul? Well, now there's a cure to your pain...Singer/songwriter John Virag's debut CD, "Dream Reality", is an intelligent and stylistically diverse work boasting lush arrangements, jazzy melodies, and masterful lyrics. It's songs, sung with intimacy, emotion, and haunting imagery, cover a range of topics from brotherhood and love to driving ambition, along with the ensuing struggles that accompany it's pursuit. John's knack of appealing to a wide audience, allowing people of all ages to identify with some aspect of his music, is felt almost immediately. A versatile collection of songs, packed with a powerful delivery, Dream Reality exhibits an array of styles spanning rock, pop, jazz, and world music.
