Blazer shares that music is her first love. She gives it a 110 every single time

she takes the stage. "Music is my true passion and Ive definitely paid my dues", Blazer says. "Its been a long road developing my style and what I wanted to say within my songs. Taking the back roads on my career, I wanted to grow on my own and figure out what I had to say as an artist." Blazer has now put out her forth international release entitled "Red, White and Blue". It's her debut country album. Back in 2005, Blazer released her full debut album entitled Passion in Me on Tower Records, CDBaby and iTunes, which included her popular single of Nancy Sinatras all time hit These Boots are Made for Walking. Other previous releases include her debut single Raining in the City and her Holiday Album Just A Justine Christmas, which are having great success. Blazers musical genre is very unique because its country but mixed with Motown soul and roots. Some of her major influences are Joss Stone, Carrie Underwood, Sheryl Crow, Faith Hill, Martina McBride and Shania Twain. I'd like to describe my music as it has an eclectic sound to it. Whatever she pursues, she puts her whole heart and soul into it. I just live one day at a time do what my heart tells me. Music is my passion and all I can be is me!
