Related styles: NEW AGE: Ethnic Fusion, WORLD: Celtic People who are interested in Kim Robertson Aryeh Frankfurter Harper Tasche should consider this download. Details: "I didn't know a harp could do that!" is a remark often heard at Laurie Riley's concerts. Known for her ability to make a harp sound like a whole new instrument, she can make it speak, make it laugh and cry. This album is a journey through the Celtic lands and South America, plus exquisite original pieces. The mood changes like a kaleidoscope from lively to mellow and back again. Laurie is a pioneer of the double-strung harp, which features two rows of strings and sounds like two harps played at once.
