

Mp3 Marston Smith - Marston Live

[DOWNLOAD HERE](#)

Marston Smith performs on a 5-stringed cello. His music is the embodiment of epic romanticism. His armor is for mounting his instrument and perhaps giving battle to the occasional dragon. Imaginative writing, passionate performance and romantic themes at 12 MP3 Songs POP: New Wave, WORLD: Celtic Details: Marston Smith has introduced audiences of all ages to the infinite possibilities of Cello, Magic, Rock Roll and comedy, often bordering between David Letterman and Max Headroom. He has appeared on national television, in symphony orchestras, as well as in recordings for motion picture soundtracks. Classical Fusion Marston Smith is a noted recording cellist who has crossed the boundaries of traditional classical repertoire and ventured into jazz, rock, celtic and high fashion euro funk. He appears in world class jazz festivals and concertizes extensively with his electric 5 stringed celtic cello and is a highly esteemed recording artist appearing on the most recent albums of Maya, Stevie Wonder, Toni Braxton, Back Street Boys, Cool Breeze, Kiss, Raphael and Cue Tip. His appearance on camera are numerous including a Science Officer/Cellist on the Star Ship(Next Generation), The Beach Boys(release early 2000), For the Boys, Jazz Singer, Medicine Woman, Tina Turner, Frank Sinatra (mini series), and various talk shows.
