Wonderful introduction to meditation on mantras. Highly produced with full surround sound for listening with headphones. 6 MP3 Songs NEW AGE: Yoga, SPIRITUAL: Mantras Details: Praise for Universal Mantra: This CD is remarkable. I teach it in my class I take it to the gym, I dance the fox trot and the Cha-Cha to it. My students instantly want it. The pitch is perfect for men and women, the rythm is mezmizing. The soul dances and healing vapors rise around the entire body. This is spiritual, this is mainstream. We need this. Thank you from me and from my students. Amrit Kaur - East Greenwich, RI
