Where Tennessee front porch pickin' meets the great outdoors. 12 MP3 Songs COUNTRY: Americana, COUNTRY: Bluegrass Show all album songs: First Adventure Songs Details: In 1999, Don King, Dave Woodward and Brant Miller pooled their individual musical talents for a concert for employees of the Tennessee Wildlife Resources Agency. Something clicked. Their unique individual musical styles combined to create a country/bluegrass sound that raised eyebrows and earned them even more invitations to play for wildlife and outdoor related events. Since then, theyve performed at major conventions, county fairs, for the Governor of Tennessee, Merlefest, and a special concert at the world famous Ryman Auditorium. Second Nature received tremendous exposure recently when their award-winning song, "The Road Kill Bill", was featured as the "Car Tune of the Week" on Car Talk, a nationally syndicated radio show about automobiles and repair. To Don, Dave and Brant, three part harmonies, writing and performing songs relating to wildlife, outdoors, family and other down-to-earth subjects have become Second Nature.
