"The moment before tears I become aware of an emotion, a natural development of form that appears from my heart into a timeless SPACE." 6 MP3 Songs ELECTRONIC: Trance, ELECTRONIC: Ambient
Details: Steve Jolliffe initially rose to prominence with his short tenure as a member of Tangerine Dream in the late '70s, just before he launched a prolific solo career that sees him release albums year after year. Multi-talented, Jolliffe is perhaps best known for his synthesizer and keyboard work yet he is one of the few people in the world skilled at playing Yamahas WX-7 MIDI wind instrument. Jolliffe plays a number of other instruments on his recordings as well bass clarinet, all flutes (alto, C and bass flutes), sax (tenor soprano), oboe, coranglais, piano and harpsichord in addition to singing and songwriting. Given his impressive resum, it's no surprise Jolliffe has established himself so prominently as a cult artist. Besides his solo Independent recordings, Jolliffe composes music for film and television. Jolliffes music can be heard on The Discovery Channel the BBC. When asked about his music Jolliffe says My work is an expression of my emotions - a viewpoint of life Thanks to Jason Birchmeier of AMG
