Details: Tey Punsalan , possesses a unique alto tenor voice , that is simultaneously beguiling altruistic in nature. Her emotive vocal technique of subtle resonance , speaks to the heart soul of a listener. Tey is an audio temptress of sonic dreamscapes Her "Take Me High" project , has a reflective ambiance that echos Anita Baker Diana Ross ; The title cut is compositionally an extension of her musical art that distinguishes Tey Punsalan from a vocal visual perspective , with a sultry hypnotically romantic impact

"Looking For A Real Love" is a four-four time dance tune that melds elements of electronica into a platform that Cher or Madonna would feel comfortable performing ; The difference that makes the effect of the music unique is the treatment that Tey Punsalan effects in her Vox. She handles the emotive arrangement with a delicacy that is not redundant or pretentious. This cannot be said of the former or latter "World Without You" is a fine ballad with a syncopated groove that contains a splash of Caribbean flavor. A positive lyrical message compliments the proceedings 'You've Stopped Loving Me' breaks out with a minor cadence pocket , coupled to an urban influenced pulsation. A reflective somber aura encases a diversity of mood that highlights Tey Punsalan's emotive diversity 'Sex On The Beach" is a tune that shadows a touch of Bananarama meets Cyndi Lauper ; Whereas in 'Tease Me" , a trip-hop element is brought into the mix widens the perspective with a subtle intimation of intention Tey Punsalan intrinsically encapsulates multiple qualities of entrancement magnetism that are hard to resist. A mysterious enigmatic flow of presence follows Tey Punsalan , everywhere she ventures Whether it be on the cinematic screen or international music performance stage , Tey Punsalan projects a beatific image that would be the envy of say , a Tia Carrere , if the latter had a voice Tey Punsalan is an entertainment

enigma , that defies description , as she travels towards a star that shines onwards into a destiny of light
