Female-fronted '90's rock band with alluring and captivating vocals and weaving and looming multi-textural guitars. Beautiful songs, full of hooks, mystery and energy. 6 MP3 Songs ROCK: Modern Rock, ROCK: 90's Rock Details: "The Blackwells are a female-fronted, guitar-happy band specializing in moody songs....Vocalist Liza Hanshaw has the kind of beautifully sleepy voice that makes any song sound deliberate, no matter the tempo." - Listen.com "Liza Hanshaw's voice is very natural, leading the band with masterful ability...The Blackwells weave complex musical concourses with mind-altering results. 'In My Head' is music for your head, intoxicating and ever enticing --Metronome "The band sounds great on their current CD which sounds like a cross between early Pretenders, Fleetwood Mac, and 'Til Tuesday." -- The Noise "The heavy, liquid guitar work, the insistent moving bass rhythm, and the nicely layered guitar and vocal tracks of 'In My Head' make a radio-ready rock ballad too good to resist." -- The Fine Print "They've saved the best for last with 'Night.' Lively violins wail on this piece..." -- Magnet "Haunting slide guitar work on 'Holy Day,' lap steel on 'The Other Side' and violin on 'Night'... Smooth pop rock with a couple of hooks from heaven." -- N.E. Performer
