

Mp3 The Grab Brothers Band - Grab This

[DOWNLOAD HERE](#)

This CD has a Metallica/Jethro Tullish style taste to it. High energy heavy rock-n-roll with a few metal ballads. 11 MP3 Songs METAL: 90's Metal, ROCK: 90's Rock Details: Grab Brothers Band Bio: The Grab Brothers Band hails from the musical hotbed of Boston/Cape Cod. Original Quartet (Acoustic Rock). A powerful 4-piece rock and roll outfit with an equally potent penchant for hook-laden rockers, and riveting excitement to their most infectious ballads. There is a vital chemistry at the core of their gutsy musical style. It encompasses an intriguing blend of a Jethro Tullish celtic taste as well as a hard driving Metallica old school, raw down and dirty rock-n roll! "These guys not only have the ability to give you hard driving no-nonsense rock, but also can slow the pace to eloquently strum a few acoustic gems! And when the brothers sing together, their vocal harmonies are just amazing!" The Grab Brothers Players: Larry Grab: Flute, Acoustic Guitars, Bass, Harmonica, Sax Vocals. Marc Grab: Electric and Acoustic Guitars, Trombone Vocals. Richard L. Goldin: Keyboards, Acoustic Electric guitars, Bass Marco Calabrese: Drums Website: grabbrothers.com Email: grabbmusic@hotmail.com Contact: Larry Grab @ (508) 487-4712 Press Release CD's available upon request: Musical Backgrounds: Larry Grab: Trained privately with Karen Shepard: She worked with Richard Rodgers, Oscar Hammerstein, Yule Brynner, Sammie Davis Jr. and trained at the Actor's Studio, New York City. Larry received his Bachelor's Degree in Business Administration from U. Mass Boston. Larry has performed with the U. Mass. Boston Jazz band (bass guitar flute) as well as with the Elite Chamber singers. Larry has also won an award for one of his songs "Wishing You Well". This song helped launch a school campaign for a drive to raise money for "Aids" research. While at university, Larry was made leader of the jazz ensemble and helped put a show together that raised over \$10,000 for the music program. Larry has been growing as a performer through joining the musical theatre for "The Provincetown Theatre Group", and developing his acting

skills. He has added this new skill set to the bands musical performances. Marc Grab: U. Mass. Boston, B.A. in music and received "The Music Book Prize" The highest achievement award in music given at U. Mass. Boston. While in high school, Marc made All State Chorus as well as District Semsba. He received a summer scholarship to Hart School of Music. He studied private acting and voice with Karen Shepard. Studied guitar with Peter Jansen music theory with Professor Patterson. Marc is also a member of "The Provincetown Theatre Group" and performs in numerous musicals. His love for music and the passion he feels comes out in every performance given. Richard Goldin: New England Conservatory, Boston, MA, New England Conservatory Prep School, Wellesley, MA piano studies. Richard earned his Bachelor's Degree, Marketing Communication from Northeastern University, Boston, MA and his MCSE from Boston University, Boston, MA. Richard started playing piano when he was three and transcribed Listz's Hungarian Rhapsody No. 2 by ear when he was seven. He picked up the acoustic guitar in tandem with the piano and learned pop songs. His early influences include Ritchie Blackmore, Martin Barre, Bootsie Collins, Ralph Armstrong and others. His teachers included Wade Davis and John Bacilli, Berkeley College of Music, Boston. He has performed as the consummate sideman utilizing his keyboard, bass and guitar talents including The Rebecca Scott Decision, Key36, Second Shift and others. Marco Calabrese: Marco thrived in music through experience and dedication. He began his musical career while playing drums as a young person. He studied percussion in jr. high school as well as high school. Marco has worked on musical projects with drummer Neil Smith (drummer for Alice Cooper). Joined the UCB band, which toured as an opening act for Dixie Dregs, The Outlaws, Steppenwolf, and others. Marco has worked as a session drummer and session man for many live shows. Now Marco has found a new and exciting home working as a steady member for the Grab Brothers Band. He adds flare, experience and an in-the-pocket driving force for the group.
