Chill Out, Ambient, Electronica, World, Techno 10 MP3 Songs ELECTRONIC: Ambient, WORLD: World Fusion Details: TranceVision was founded in 1998 by Pete Code (producer/songwriter/musician) and Greta Rose (lead vocals/percussion). Greg Kaiser joined the band as the keyboardist in 1999. The band is dedicated to exploring the boundaries of contemporary and ancient music without concern for trends and "experimentation is law". "Lemuria" is the latest compilation of TranceVision songs. The CD contains 10 tracks ranging from Chill Out to Ambient to Techno and was engineered and produced by Pete Code. These tracks contain also magical contributions by prominent and talented musicians such as Tim Reynolds (TR3) rhythm lead guitar on "Atom" and "Enertia", and Kip Winger (Winger, Alan Parsons) fretless bass on "Lemuria".
