Intense distortion collides with unexpected melodies, leading you on a mythical journey unlike any other. 9 MP3 Songs ELECTRONIC: Industrial, ELECTRONIC: Electronica Show all album songs: Esoterica Songs Details: With her debut album, Xyla sculpts an unparalleled world of harsh beauty and raw emotion. Intense distortion collides with unexpected melodies, leading you on a mythical journey unlike any other. Destroying any attempt to confine her sound to a specific genre, Xyla boldly creates a new breed of electronica. Ancient secrets elegantly captured amidst synths and percussion. Fierce, hypnotic beats spiraling out from the depths of melancholic atmospheres. Terrifying, haunting, enchanting. Light a candle, turn the volume up and prepare to confront your shadow in the realm of Esoterica. Michelle Belanger appears on a very special track of this album, 'The God Within'.
