Our music is so creative that it is addictive. 15 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Southern Style Details: My name is William C. Jennings, Jr. aka "Young Champ" and I am an artist/producer and CO-CEO of North Hood Entertainment and I recently relocated here to the Central Florida by way Anchorage,AK. I was born in St. Petersburg, Florida to Mr. Mrs. William C. Jennings, Sr. in June of 1984. I have two other brothers in high school who currently reside in Anchorage, AK with my parents who are currently in the military. I have justed completed mixing mastering my first complete hip/hop album called "Bigg Bizz'ness" (15 tracks) which should be ready for release in mid-October. My motto in life is "if the sky is the limit then there is no limit' which means that we only have limits because we limit ourselves. I believe you can do any thing you believe you can do if you really believe what you say you do. I am a perfectionist when it comes to producing tracks because I want the world to know me through my music. I believe you should put your all into your music because it is a reflection of who you really are. The absence of quality equals worthlessness and this is what people get use to because they don't have quality available as a measure. Thanks for your support, Young Champ
