DID THE FREEMASONS CREATE THE UNITED STATES OF AMERICA? Step back in time to the birth of a revolutionary new republic and discover how the utopian ideals of a visionary secret society laid the foundation for the most powerful nation on earth. Follow George Washington, Benjamin Franklin and other Founding Fathers as they transform the democratic principles of their Masonic lodges into a radical new nation. *Solomon's Builders* unravels history from myth as it takes you on a Freemasons tour of Washington, D.C. It reveals the evidence of Masonic influence during the construction of America and its new capital, including clues hidden in plain sight: Masonic connections to national monuments, puzzling pentagrams and symbolism in city streets, the mysterious temples of the Widows Sons. *Solomon's Builders* relates the true stories of these visionary founders, and the fascinating meaning behind the cryptic codes, enigmatic symbols and intriguing architecture that is reputedly the basis for the sequel to *The Da Vinci Code*, Dan Brown's novel *The Lost Symbol*.
