

Workmen Digging Up Tarmac - Internal (sfx Sound Effect)

[DOWNLOAD HERE](#)

Recorded from an internal perspective, this 60" file including a pneumatic drill digging away at a tarmac road, plus the clunk of heavy machinery. See our other files on sale of roadworks / roads being dug up from an internal and external perspective. All files on sale by Sevenleaf SFX have been recorded by professionals and are available for you to download as 16 bit 48kHz wav files.
