America is a throw-away society. We all know that. We all have a lot of junk that we do not need, and just about all of us have things piling up relentlessly in our attics, garages, basements, closets and even in the wide open of the back yard. A lot of people try to ignore the problem until they can no longer get into their garage, or when they find it impossible to squeeze one more item into the attic. They have too much junk and they need to get rid of it. Often, they will pay someone to do just that. This means an opportunity for you. You can make a decent living by helping people get rid of their junk. To play this video you will need to use Apple Quicktime. Free download from cnet at:
