Michael Jackson gets court cases, and so do D-Sosa and his fastlife squad. Every rapper on this album had court cases or did time in prison. 17 MP3 Songs HIP HOP/RAP: Hardcore Rap, HIP HOP/RAP: East Coast Details: What do you believe in hell or heaven. Well for me and my homies we do the devil's work to survive in society. But when we wake up in the morning and go to sleep at night, God comes first in our lives. It is hard to stay free or stay away from prison with the type of lifestyle we want to have which are the finest things in life. So that is why we rap and deal with the entertainment business. With me D-Sosa and the fastlife squad having a wild life, for sure it will be a top seller in the music business. D-Sosa is still living and maintaining to be rich like Michael Jackson but D-Sosa has had homies that been lock up or died recently. So me D-Sosa wants to give a R.I.P. shoutout to Steph and Kelly. Also, free Teflonron, Amir, Mil Gates, and Sin. -----To contact D-Sosa live call 1-877-406-4859----- Check out my other web pages on cdbaby.com/dsosa or cdbaby.com/dsosa2 or cdbaby.com/dsosa4
