

## Mp3 Dan Scott - Little Texas Town

Pure, traditional country with a little rock and a little jazz here and there. 12 MP3 Songs COUNTRY:

Traditional Country Details: My songs are inspired by my life's experiences. I grew up in a very small country town on a farm. Graduating class of 20! Plowed fields behind horses. Raced cars. Chased girls. (Sounds kind of like the Dukes of Hazzard doesn't it.) Dove for a living in the North Sea. Conductor for the railroad. Pipeline x-ray technician. Was in an ARMY band -- won many metals. Have worn many hats. Made lots of friends along the way and a lot of wonderful experiences.
