Imagine an EDGIER Avril or Ashlee and mix in some Evanescence. I've been described as a cross between Sarah McLaughlin and Green Day. I get MOODY, ANGRY and even (yikes.) MUSHY. This is music that rocks you, AND reaches your sensitive side -yes u have 12 MP3 Songs POP: Today's Top 40, ROCK: Modern Rock Details: Danielle McKee, former back-up singer for recording artist Nelly Furtado, unapologetically unloads her conscience mind into gratifying melodies that take you on a roller-coaster ride experience on her debut record "Twelve". Unabashed to tell you what's on her mind, Danielle has fused together a work of art that Screams out her frustrations, Cheers her discoveries and Explores her doubts and fears. " 'Twelve' " has been like a not-so-secret diary that documents an impressionable time in my life." Danielle teamed up with producer and fellow Nelly Furtado band-mate, guitarist Mike K. to create a record that will rock and empower you. Music lovers of all kinds can relate to the songs on "Twelve". The harder edged rock lover may attach to "Didn't Want It This Way" and "Never Coming Home". For those compelled by memorable pop vocals and singable melodies there are "I'll Be There", "More Than Mine" and "Like Nobody Else". And for the listener who gravitates toward inner reflection, "Stayed All Night" and "Power To" may invoke contemplation. With a powerful voice that can express many shades of emotion, Danielle McKee sings her heart out and leaves her mark. These songs are a must-have for the music lover that has an ear for the next up-and-coming star.
