

Mp3 Faith Assembly - Ghosts I Have Been

[DOWNLOAD HERE](#)

Faith Assembly has deep influences from the 80's new romantic (new wave) scene, with a touch of modern synthpop. 11 MP3 Songs ELECTRONIC: Pop Crossover, POP: New Wave Details: "Ghosts I Have Been" is Faith Assembly's third album, continuing to establish the band as America's best contemporary new wave/new romantic band in action. The lush instrumentation and emotional lyricism pushes the band among the greats of the genre (Japan, Depeche Mode, Tears for Fears, etc.). One fan wrote: This cd moved me. If you like the slower meaningful kind of new romantic swave style of music, then this is the one for you. It is a slower music, certainly not your high energy club synthpop, but an awesome disc to settle down, listen to the music, feel the emotion. great for driving. This is a multi layered music...I love to just listen to it and pick out the different sounds and instruments. I hear new things everytime I hear it...smooth instruments. Get this people, you will love it.
