Thanks to God, my family and the many fans that supported me throughout this album project. Thanks especially to Robert Metzgar (Hall of Fame Producer) for believing in my songs the musicians that really brought it to life. Nashville guitar great Kerry Marx who was also the session leader has played for such artists as Johnny Cash, Blackhawk, Elton John, Roseanne Cash, Shania Twain, Wynonna, Ronnie Milsap, Jerry Reed, Billy Dean, K.T. Oslin, Amy Grant, Prime Time Country (TNN), The Grand Ole Opry, NBC many others. He plays some of the best lead guitar that's come out of Nashville in a while on this album. You can tell from the mood he sets with his guitar that he was having a great time recording this album with the other musicians. This album is dedicated to two of my biggest heroes in the world, my big brother, Tommy Hawkins, and the greatest man to ever play a honky tonk song, Mr. Waylon Jennings. Gone but not forgotten.
