Details: Here are more great songs from the pens of the two old "picking friends", Ty Bracken and Johnny McGee. This is without a doubt their best work to date, and is sure to be enjoyed by everyone. Special attention should be paid to the "Hard Times And Christmas" track. The current trend in the land seems to indicate that this could be the situation this Christmas for many families. Maybe even for many a Christmas to come. Let's hope not. A special thanks to the "Pea Ridge Pickers" backup group, way down in sunny Florida, for their outstanding studio work. Also, many thanks to all the friends of CD Baby, for their kind support of the last two albums.
