The Cello is finally let loose from its classical heritage and now explores, eclectic jazz, Celtic rock, and Chamber hip hop. 12 MP3 Songs JAZZ: Smooth Jazz, WORLD: Celtic Details: Marston plays a 5 string electric cello sometimes mounted on armor. The music is very romantic and the costume adds instant drama. He has been busy---performing at jazz festivals, Las Vegas casinos, and recording with the Back Street Boys, KISS, Madonna, Michael Jackson, Whitney Houston and many others. "Throughout my picture "Betrayed" Marston played his cello in the viola register. It was the most joyous sound I've ever heard, a delight and played constantly at my home." Bill Graham, Director: The X-Files "Marston Smith loves music and loves his cello--his playing proves it--listen to him today and bring substance and joy into your life." Michael Lewis, BBC He performs at California Disney and at Warner Bros Pictures---he is the live music for events surrounding the Harry Potter movie, and has appeared on national television, performing and selling his music on QVC.
