Neo Soul, Acid Jazz (if you must call it that) Soulful Psychedelia with an Electronic Jazz undertone 14 MP3 Songs URBAN/R&B: Soul, ELECTRONIC: Down Tempo Details: Neomythic legitimizes the groove phenomena with its stellar offering of innovative, highly personal song writing and transcendent vocals by Omega. Imagine the warmth of Miriam Makeeba backed by Miles Davis' Electric band produced by Brian Eno, and you'll start to get the picture. Neomythic spins a web of shimmering sonic strands with electric Trumpet and Sax, Fender Rhodes, synths and samples that frame Omega's warm alto in the most unusual and beautiful manner. Neomythic has remained true to its pursuit of a satisfying and soulful musical experience. The Neomythic sound encompasses the more energetic elements of jazz improvisation and composition with a respectful ear for the fundamentals of popular music and a healthy taste for sonic experimentation. Expect great production, excellent musicianship and unique, sophisticated sounds from this CD.
