

Mp3 Penner Mackay - Rhythm Dust

[DOWNLOAD HERE](#)

A freewheeling percussive romp on thunderous drums made from wine barrels 10 MP3 Songs WORLD: World Fusion, WORLD: World Traditions Details: A professional drummer for more than thirty years, Penner MacKay not only plays thunderous drums, he makes them out of wine and whiskey barrels. MacKay derived his inspiration from Mickey Hart's book "Drumming at the Edge of Magic" and has produced a product that is unique in the world of drumming. He calls himself a drumming fool and his love of rhythm comes through loud and clear in this accomplished C.D. The reviews follow: Percussive Notes - August 2002 - page 78 "An uninhibited romp through ten original selections featuring the free-wheeling imagination of Penner MacKay." "Huge barrel drums that produce a visceral emotional reaction much like that experienced in Japanese drumming." August/September issue of Drum - page 38 "The rhythms he creates incorporate a melodic and harmonic sense that are not only hypnotic, they transform the listener into an altered musical mind-frame reminiscent of Terry Bozzio's conceptual genius." -
