Lyricaly inventive song writing, steeped in a complex musical stew, infused with traditional elements from around the world. 14 MP3 Songs WORLD: World Fusion, ROCK: Adult Contemporary Details: ExPorter I'mPorter is the latest release by Peter Fand, falling under the category of "Porter Music." It represents over three years of dedicated effort, and is the follow-up album to "Whiskey Hill," a CD released under the name "Porter" in 2000. Each song is another stop on a colorful journey through the sonic landscape of Peter's world. From the salty flavors of Africa, to the strident steps of 1920's swing, it all comes together here, in one micro-universe of musical riches. Held together by high order song craft, this is divine complexity, like fine wine and dark chocolate. Virtuosity abounds, with sounds of the world. Dazzling soloists augment the lyrics which might harken the listener to Joni's Hejira days, or perhaps Paul Simon's Rhythm of the Saints, while sizzling drum and percussion grooves define a new world. This shanty was built on a rock foundation, with all of the modern amenities. People who are interested in Paul Simon Olu Dara Ben Harper should consider this download.
