

## Mp3 Sam Hoffmann - Somewhere Else

[DOWNLOAD HERE](#)

Quiet, simple, peaceful solo piano music that is also melodic. The music is as much in the space between the notes as it is in the notes themselves: it is passion with restraint. 16 MP3 Songs NEW AGE: New Age, EASY LISTENING: Mood Music Show all album songs: Somewhere Else Songs Details: Sam Hoffmann is an eye doctor in Wyoming. He plays the piano on the side, and records his CD's in his basement. His piano style is quiet, relaxed, and simple. Sam started playing the piano in 3rd grade, but did not really get passionate about it until leading worship at churches in California and, later, Wyoming. "So much of the music just flows out when I sit down," he says. "I wanted to get it on CD for other people to enjoy. I hope people buy this CD, but even if they don't, it was important for me to get it down for friends and family to hear." Sam's music is quiet, romantic, and thought-provoking. It could be used for reflection, quiet prayer, or relaxation.
