The melodies are strong, and chord progressions are refreshing." "Strong songs overall." "Great vibe- excellent voice- a huge compliment is coming- that it reminds me of Linda Perry." "I hope that you understand that I was sincere in saying that you have what it takes to be a superstar." "You have a knack for writing a catchy melody. This is a really good song. Strong performances. Cool arrangement." "A professional sounding recording...Strong performances and tasteful arrangement." "Strong material." "Hints of brilliance..." "Your clever, poetic use of language nicely interlocks with your vocal performance. But it's enigmatic -- provocative to the point where the listener wonders what the heck is going on here." "Melodically coherent.....fits like a glove" "Smart and unusual" "....amazing voice- incredible lyrics" "Really strong melody writing here. Good hooks that are memorable and singable. Lyrically beautifully crafted imagery and clear communication overall. Vocals and arrangements work well over all. You are a gifted song writer. Keep it up."
