

Mp3 Scott Stallings - Piano On The Moon

[DOWNLOAD HERE](#)

A news reporter recently said that 14 year-old pianist Scott Stallings composes music that would raise Mozart's eyebrows, and he plays like someone three times his age. This is true. Now 16 yrs. old, rave reviews continue to accelerate his piano career. 10 MP3 Songs CLASSICAL: New Age, NEW AGE: New Age Details: Scott's music has been downloaded over 20,000 times since he posted his first music online at age 14. Now a 16-year-old high school student, he has a very busy schedule. Of course he loves to play and write music, but his true passion is entertaining. So invite him to play any type of piano or organ music at your event, and check out a few of his new songs on download.com/scottstallings SCOTT'S PIANO CALENDAR: 2005 upcoming-- Learning technique from world-renowned teacher, Leonard Richter.
