Original, heartfelt reggae music from the Aloha state of Hawaii 15 MP3 Songs WORLD: Reggae Details: TEOMON moved to the Big Island of Hawai'i as a small child with his single mother and two younger brothers in 1981. He was introduced to reggae music at a young age through his family and close friends. His passion in singing and spreading positive philosophy has grown ever since. Moving to Maui as a teenager, TEOMON met reggae performer Marty Dread who gave him his first opportunity to be in a live reggae band. After graduating high school in 1989, TEOMON moved to Kauai and met Ron Rhodes the leader of the band The Shakers. Forming a strong bond with both Ron Ronnie Rhodes, TEOMON performed live with The Shakers as a "reggae-rapper" for ten years. They performed many memorable shows together as well as recording two CD's, "Strictly Pleasure" featuring the local hit "Who's going to hold you tonight?" and "Good Days Ahead" where TEOMON wrote the title track. TEOMON now resides on Maui and is about to release his debut album "The Choice we make" recorded at the Koloa Dub Lab, on Kauai. The album features thirteen original tracks that express his deep values of life, love, and family. TEOMON has a dedicated fan base; some who have stated that TEOMON's music has touched them deeply and inspired them in their lives. " Congratulations, you know I like very much your music so please tell me everything about it. I enjoy your CD and I listen to it frequently, your music makes me feel very good and when I m sad it makes me happy," Astrid - Mexico. TEOMON has been spreading his philosophy by recently traveling to Europe and performing live shows in Norway, Holland, Sweden, Italy, and the U.K. TEOMON performs regularly on Maui and is presently creating opportunities to perform around the rest of the "Aloha State" and wherever his fans may take him. TEOMON is a dedicated artist, with a positive message deeply rooted in his music. He is looking for the right connections and sponsors to take him to the next level, making it possible to have his music heard on a wider scope, as well as

recording more albums in the near future.
