Vancouver Artists play their original holiday/Christmas music to benefit the SPCA 13 MP3 Songs in this album (38:29) ! Related styles: POP: Pop/Rock, COUNTRY: Alt-Country People who are interested in Daniel Lanois John Prine Reba McEntire should consider this download. Details: Welcome to A Very Vancouver Christmas Volume 3! As with most new things it takes a while for them to catch on. That's why we're really excited about this year's album, because it seems to be 'catching on' and some folks are even making it's purchase a holiday habit! That makes our charity happy and me, in turn, even happier! We're also thrilled this year to have another amazing group of local artists as well as a few special out of town guests, as is often the case at the holidays. We are pleased to introduce one of our favorite artists to you: Rick Fines who has generously allowed us to use his song "Country Christmas Blues", and our very lovable Bobby Richards, who after some coercion on my part, let me turn his Lullaby into: "Christmas Lullaby". Last year we also had some great feedback as well as more world-wide sales, and I am really looking forward to this year's project as we will also be having some benefit concerts where you can come and see the artists live, and have them sign a CD for you! Watch for updates at:

[myspace.com/veryvancouverchristmas](http://myspace.com/veryvancouverchristmas). Last year's album was such a success we're doubling our order this year so there will be plenty to go around. Watch for it at local retailers as well as local music venues and coffee houses. Please contact me if you would like a current list of retailers or if you would like to BE one of our retailers, or if you are interested in booking an artist or event, I'd be happy to chat with you!

We'd love to hear your thoughts on this year's album, please drop us a line and enjoy! Jenn Jenn Ashton
