

Studio-x: Pro Synthesis Masterclass Edition - Volume 1

[DOWNLOAD HERE](#)

From the globally successful Author, Teacher, Artist and Producer known as Studio-X, comes this collection of carefully crafted cutting edge sounds. From individually exported synthesized kickdrums to growling and sizzly basslines, this producer pack will load you up with the crisp audio quality and brilliant uniqueness that takes Studio-X all the way around the world. Whether you produce Dubstep, Drum and Bass, Electro Hard Dance or any other modern genre with a grinded edge, this producer pack is sure to get you on the track to the quality and professional standard that Studio-X use to work with artists such as: Nick Skitz, Brooklyn Bounce, DJ Proteus, Depeche Mode, Angelspit and many more!
