This is the Hottest Clip Ever!!!! Electra releases him from a headscissor and removes his belt. She ties it around his neck. Electra puts her gorgeous foot in his face. Pulling him by his belt while kicking him in the chest. She makes him kiss her feet. While threatening to further choking. She sits on his back and rides him like a pony while face slapping him. Electra traps him in a headscissor while pulling on his belt for extra agony. She starts to punch him. She mentions how she has been boxing for five years. Threatens him with his impending bare fisted beatdown. She removes the belt and let's loose with callous belly punches. Does she pick the belt back up? BUY THIS CLIP and find out. Electra is waiting. She hates to be waiting.
