

Blood Libel And Its Derivatives: The Scourge Of Anti-semitism - Raphael Israeli

[DOWNLOAD HERE](#)

Most people are unaware of the history of blood libel and do not perceive links between it and many of the false accusations currently hurled against the state of Israel. In *Blood Libel and Its Derivatives*, Raphael Israeli argues that individuals and organizations guilty of human rights crimes project crimes onto Israel to avoid awareness of their own guilt. Certainly when countries ruled by dictators set the agenda of the UN Council for Human Rights, Israel is consistently censured and condemned. This volume aims to explain the origins of the charge of blood libel and define the ways its derivatives have achieved acceptance in certain parts of the world today.

Author: Israeli, Raphael
Publisher: Transaction Publishers
