The palpable sexual attraction between Jonathan, a wealthy paraplegic, and Vince, his new live-in aide, is deepening as quickly as their friendship. But both men are trying to keep their feelings in check, keenly aware of the difference in their ages and the stresses on their relationship caused by the imbalance of power in their roles of employer/employee and patient/caregiver. Adding to the strain are the secrets Vince is keeping... secrets that might lead Jonathan to suspect he is trying to take advantage of him and destroy any hope of a future together.
