The success of the Barbary Pirates, coupled with the simultaneous brutal repression of a revolt in the Turkish Sultan's Balkan provinces, have caused a sudden glut in the slave market not only in Marsa but also in Constantinople, Damascus, and Cairo. Accordingly, the Pasha of Marsa orders renegade Rory Fitzgerald, late of Her Majesty's Hussars, to take a shipload of beautiful European women slaves to the Caribbean and open up a market there. Here in the plantations of Spanish, French and British colonies, black slavery is well established, but nubile white women will be a real surprise! The late Allan Aldiss was a notable writer of erotic fiction, highly respected for his Barbary books from Silver Moon and also, as Hilary James, for the Emma (Secret World) series from Nexus.
