Worshipped. Set apart. Unable to connect with others. Though most girls believe she's different, Elphame knows she is. Odd. Strange. Unique. No one in Patholon has her abilities--or her connection to their goddess. And she has a destiny she is about to discover....A restlessness has infused her, leading her to the other side of her country. There, the remnants of an evil war still linger. Will Elphame be able to redeem both her country and her soul mate, a survivor of that war? The choice she makes now may bring disaster--or a future in which she may never be alone again.
