Records (Commonwealth State Of Mind) introduces rap recording group 20 Nickelz. The group consists of J. Frost born raised in Walteboro,SC M.O.E. born and raised in Chicago, IL. These southern virginia recording artists have the talent and skill level to mold consistently creative ideas with professional production into street classics. Which is what makes them 2 of Virginia's premeire artists. What do you get when you take the hottest mc from the midwest and pair him with the best from the eastsouth pure heat that's what. 20 Nickelz returns with one of the most sought after mixtapes in the streets. These two 7 City soldiers are showing no signs on letting up on the game and are sure to make an huge impact with there deput album coming early 2006. In the mean time they pledge to keep giving the streets what they need and want straight fire. The Wanted Dead or Alive mixtape consists of 26 tracks that will be sure to put a crack in ya neck fa the rest of the summer.
