AllAboutJazzand Edward Blanco. The orchestra whips up an absolute storm...it's a white knuckle ride of burning solos, careering textures and propulsive energy...a startlingly good debut. Peter Quinn, Jazzwise Magazine. jazzwise.com Byrnes arrangements are imaginative and manage to escape many of the big-band clichés. The band displays a high standard of ensemble work, with punchy brass and well-drilled saxes. Burkill contributes some fine tenor-sax work. Tony Augarde. jazzviews a revelation in terms of power and control. compelling big-band arrangements kept the audience on its feet, both in terms of paying attention and at the end whilst shouting for more Jazz in Leeds. jazzinleeds the band exhibit an infectious enthusiasm both for each others playing and for the material Byrne has provided for them, and the resulting album is a joyous celebration of big-band values: tight ensemble work, freewheeling solo features, punchy riff playing, fierce interaction between sections. Chris Parker. vortexjazz So, if you imagined that the big band was a near-extinct behemoth, dinosaur-like, imagine instead a huge, gleaming limousine, a pride of lions, a herd of proud Arab steeds. Suffice to say that if you rate the crisp big bands of Buddy Rich and Thad Jones/Mel Lewis, with a touch of full-throated Kenton, do not miss this stunning 7-track album.
