Well-travelled Americana folk music - road songs for the restless. Sung in a voice that knows what Jack Kerouac was thinking when he wondered: "Whither goest thou, America, in thy shiny car in the night?"

Genre: AfriCountryFolkaBillyBlues. 15 MP3 Songs in this album (42:35) ! Related styles: COUNTRY: Americana, FOLK: Modern Folk People who are interested in Tom Waits Johnny Cash Townes Van Zandt should consider this download. Details: Los Angeles based singer-songwriter with deep Southern roots watered liberally with world travel, an open ear and a hungry mind. Lockett has been to Graceland as many times as hes been to West Africa. Three trips to each in case you're wondering. His work as a Cinematographer has taken him around the world, often to very difficult and challenging places. A powerful performer, Lockett's live show usually features guitar, harmonicas, jaw harp, Mbira (AKA Kalimba), mandolin, fiddle, Appalachian dulcimer all anchored by djembe or cajon. Depends on the night. Depends on the lineup. Depends on what instrument Lockett has brought home from his most recent travels. If all he's brought back are thoughts and observations on politics, religion and the troubles wrought by destructive corporate practices globally and at home, expect to hear about it. He is a former journalist, he can't help it. The First Amendment, he believes, only works if you use it. He also believes that shakin' what you got and using your mind are not mutually exclusive. He is joined here on his debut album by such seasoned and talented artists as Amy Farris (Ray Price, Alejandro Escovedo, Brian Wilson, Kelly Willis, Dave Alvin), Skip Heller (NRBQ, Stan Ridgway, Wanda Jackson, Todd Rundgren, Rosie Flores, Les Baxter, Yma Sumac, Robert Drasnin, Rick Danko, Dave Alvin, Carol Kaye), Mona Tavakoli (Raining Jane), Voyce McGinley III (Kitaro, Amy Kuney, Severin Browne), Craig Ferguson (Cliff Wagner and the Old #7, Erik Janson), Irina Bjorklund (Peter Fox Vintage Espresso) and Trevi Fligg.
