Exotic percussion mixed with traditional rock instruments contributes to a truly unique wall of sound. 14 MP3 Songs WORLD: African, ROCK: Modern Rock Details: Dave Corwin's debut album, Many Hands, features a blend of traditional rock with African and other ethnic themes. If you like Peter Gabriel or David Bowie, this album is for you! Here are some review excerpts: "...the ghost of Ziggy and moods from the earlier, quirkier Space Oddity can be found all over the shop. There's 14 tracks in all, and I really can't find a duffer among them." -Modern Dance Magazine "...a complex album that will have you quickly immersed in Corwin's world of sound." -Gajoob "...sweeps you away into areas of mystery and wonder." -Zeitgeist "...a musician with undoubted talent who has produced an album that really defies categorisation" -Rock Society Magazine
