You'll be splashing in springtime puddles and making it snow on a dimly green February day with these hip tunes for every month of the year. 12 MP3 Songs KIDS/FAMILY: Children's Pop, KIDS/FAMILY: General Children's Music Details: 2005 ASCAP Plus AWARD for lyrics Lively original music combines with equally lively and original lyrics to produce a wonderful musical experience that will delight and entertain young children of all ages. -- Midwest Book Review Snowdance is a calendar album. Its twelve original songs one for each month of the year unfold against the backdrop of the seasons, with narrators splashing in springtime puddles, playing neighborhood baseball games in the summer, plotting to get themselves promoted to the Grownup Table at Thanksgiving, and desperately trying to make it snow during one dimly green February. In Snowdance, Erin Lee Marci have tuned in to the exuberance, the doubts, the curiosity, and the lyrical spirit of being a kid. Their dynamic range of emotional expression aptly portrays the highs and lows experienced in childhood. Erin Lee Marci are truly the Indigo Girls of childhood music! -- Susan Salidor, WLUW-FM, Kids Play co-host
