Intense melodic indie-rock with folksy flavorings 14 MP3 Songs ROCK: Modern Rock, POP: Beatles-pop
Details: Burning The Tulips is a collection of 14 song-oriented indie-melodic rock songs by Evren Gknar. The songs that made it to the CD were characterized by the most positive audience responses at live shows. It was recorded over the period of about a year, incorporating various instruments, musicians and production styles. The various musicians are Evren's friends from the Los Angeles music scene; the core of whom are in his current band. "Intelligent... alternative music that kicks ass!" - Eugene Weekly "This is music without compromise" - Music Connection "...subconscious-sinking lyrics. Few artists can take a beloved cartoon character, write lyrics that are pure poetry, and come up with a serious rock song." - Las Vegas Citylife
