URBAN/R&B: Soul, URBAN/R&B: R&B Pop Crossover Details: Eyon is from Tulsa Oklahoma. R&B, Gospel, Hip-Hop and Neo-Soul is the way she translates her experiences, history, ideas, and creativity into songs. She is a unique individual with a distinctive song writing style which cannot be replicated. Song writing has been a hobby for the Tulsa native since she was 14 years old. She was brought up singing in the church choir, different school and family functions. With the help of Producer Robert Caddy out of Tulsa, OK her song writing hobby has turned into a career and is now writing professionally for up incoming and inspired artist. What made Eyon realize it was time to showcase her talents was the bureaucracy of the business. Major artist advised that she needed to be an accredit writer before she would be considered for future projects. Eyon is out to prove to the world and major artist that she is a gifted and talented writer. She is focused on writing number one hits as well as singing them. Her latest project is the "Untold Truths". The track were produced by Aaron B. out of Chicago, Milad N. out of Texas and Chuck(QB)from beats2rap2.com. I would like to work with major artist or any artist out there that is serious about their business.
