

Mp3 J.j. Tindall - Songs In The Rock Genre

[DOWNLOAD HERE](#)

Old School Rock 10 MP3 Songs ROCK: Classic Rock, POP: 70's Pop Details: J.J. Tindall is an internationally-acclaimed, Chicago-based author, musician and recording artist whose first solo music CD "Men in Love," co-produced with Brian Deck and Matt Tyndall, was released in 1999. He has written, performed and recorded with a number of Chicago-based bands and toured Europe in December, 2004, performing selections from a new CD of poems set to music by Rex Tangle entitled "A Foggy Oasis." His first book of poetry, "Joe the Dream," was published in 1990. His recordings receive regular airplay on public and commercial radio across Europe. Samples of recent work, European broadcast archives and all titles are available at jjtindall.com. He is currently working on his third solo music LP at the Digital Bunker, Chicago. "SONGS IN THE ROCK GENRE sounds like variations on 'Honky-Tonk Women' and 'Jumpin' Jack Flash'...'Berlin Wall' is a melodic travelogue and 'We're Gonna Party Today' trades the Stones for the Beach Boys." --Illinois Entertainer
