Cool instrumental music covering various styles: music to chill to, to relax to, to vibe with and to dance with. 10 MP3 Songs JAZZ: Smooth Jazz, ELECTRONIC: Funk Details: Jonthony is a keyboard player and songwriter who draws his inspiration from a wide variety of musical styles, genres and periods - from classical to jazz to pop, rock, new age, reggae and more. He was born in the Caribbean but now makes his home in Atlanta, Georgia. He spent his early years singing and learning classical piano, before turning his attention to songwriting and composition. His original writings cover a broad spectrum of instrumental and vocal music in classical, pop, contemporary jazz and R&B. "At first I intended this CD to be a demo of my songwriting but many persons who heard it asked me why don't I release it for everyone to be able to hear it, so I decided to do that as well. So here it is. Hope you enjoy!
