

# Mp3 Kaleta - Zozo Afrobeat - Country Of Guns

[DOWNLOAD HERE](#)

Funky Afrobeat 7 MP3 Songs WORLD: Afro-Beat, WORLD: African- West Show all album songs: Country Of Guns Songs Details: "ZOZO" Taken from the goun or fon dialects in the republic of Benin west Africa meaning something steaming hot truly keeps the Afrobeat fire burning. 13 piece ensemble led by Kaleta real name Leon Ligan-Majek is a renown world music/afrobeat producer, arranger, guitarist, percussionist and singer born in the republic of benin but lived all his adolescent life in Lagos Nigeria, a city STONE THROW from his native country Benin, where the culture is similar in terms of language and music to that of Nigeria where he grew up. with ZOZO AFROBEAT, Kaleta music pays homage to the greats and yet still maintains his distinctive sound and energy. He had performed, toured and recorded albums with legendary FELA KUTI, king SUNNY ADE, SHINA PETERS, and lately went on world tour with Lauryn Hill ...to mention but a few. He is frontman to New York based AKOYA AFROBEAT for the past 5 years. He recorded an afropop cd titled KALETA JAA ALSO DISPONIBLE AT CDBABY in 2003, an album that topped the charts for weeks with dj JEAN JACQUES MAHI'S AFRICA NUMERO 1 RADIO IN LIBREVILLE GABON. He was one of the 4 nominees by just plain folks award in 2004 in the USA for the world music category. Now with his 13 piece afrobeatband and members from around the globe.
